From the Principal....

Welcome back! As shared via email last week, I received confirmation of my permanent appointment as Principal of Jinibara State School over the recent holiday break. I am very pleased to know that I will continue working with our school in the coming years and am very happy to be working with such a fantastic school community.

Congratulations to Psalms in year 6 for her outstanding achievements in netball. During the school holidays she made the Queensland indoor netball team that will be heading to nationals end of November. She also made the Sunshine Coast Regional netball team which placed 2nd in the State competition. She has also represented Caboolture Netball Association in the representative U12 Gold team which placed 4th. What fantastic achievements!

Classes for 2023: A reminder that the process of formulating class lists for 2023 will begin later in the term. During this time teachers will consider the most appropriate placement for individual students into class groupings. The aim is to construct well balanced classes in which students can work and perform to their full potential. Due consideration is given to the student's academic needs as well as their social and emotional needs when placement is decided. Should parents wish to have input to the process you may collect a 'request for consideration' form from the office and return it by Friday 28th October. Please note that we cannot guarantee requests and we work hard to achieve the best outcomes across all class groups.

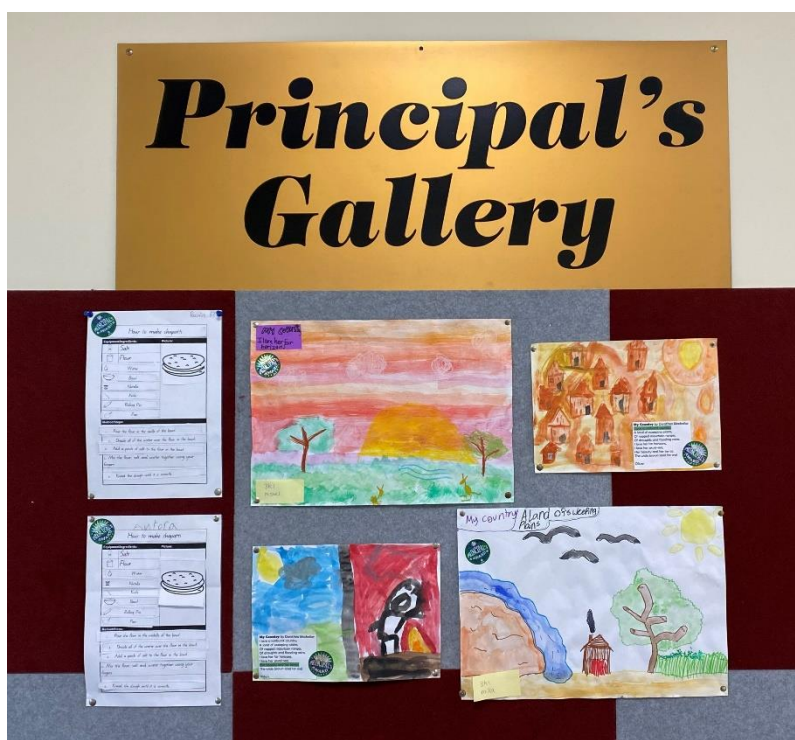

Should your child/ren not be returning to Jinibara SS in 2023, please inform our office as soon as possible. This assists us with planning for staffing and classes next year and also limits the amount of potential class changes required post the Day 8 count if we are given fair warning of anticipated numbers.

Student Leaders 2023: We have begun the Student Leader process with our current year 5 students. I look forward to hearing some quality leadership speeches and participating in the process to select our leaders for next year. Please note that there are very clear selection criteria and several steps to the application process, which will ensure that the all applicants are given due consideration. Having been a parent who watched my own children go through this process, I know first-hand how anxious some students can become. Please be assured that we will do everything in our power to support our applicants through the process and to help those who are unsuccessful through their initial disappointment.

2023 Booklists: These have been emailed home this week with explanatory information regarding our Student Resource Scheme and the Goods & Services charge. Participation in the SRS is strongly encouraged as it saves parents time and considerable money and also ensures students have the correct, high quality equipment. Parents do not have to replace items throughout the year. Our Goods and Services charge is a \$50 fee required for all students which covers the cost of consumable materials and photocopying, as we do not request parents provide text books or work books. More information is available with the pack that was emailed home. If you have any further queries, please contact the office.

2023 Student Resource Scheme (SRS)

SRS Book Lists and Good & Services Scheme

This week parents will have received copies of the:

- *Booklist*
- *SRS participation form*
- *Information letter*
- *Invoice for Goods & Services*

Please ensure you read all the information provided, return your SRS participation forms and pay invoices by the due date.

As you can see we have streamlined our product range across the school and have provided great incentives (discounts).

Orders placed by the due date will be delivered to the classrooms in the week prior to school starting.

LOST PROPERTY

Please ensure that all items are labelled to avoid it ending up in Lost Property. All unclaimed items will be donated to charity at the end of term.

GUIDANCE OFFICER NEWS

Reading and Writing Centre

Did you know that the [Reading and Writing Centre](#) offers a free advisory service? The Reading and Writing Centre advisory service is available to parents and caregivers to support students' reading and writing improvement. The Centre also offers specialist advice in the area of reading and writing disorders, including dyslexia, through their Speech language advisors.

The service can be accessed on weekdays between 8am and 5pm, and the relevant staff member will respond to the inquiry.

Please contact them by phone or email.

Supporting parents and carers of children with disability

Being a parent is an important job. It's easy to get caught up in looking after your child's needs, but looking after yourself is important too.

MyTime is a place where you can unwind, and share ideas and experiences with others who understand. MyTime is for all parents and carers of children under the age of 18 who need a higher level of care than other children. This might be because of disability, chronic medical condition, or other additional needs including developmental delay.

INSTRUMENTAL MUSIC NEWS

Congratulations to our Junior and Senior bands who competed at the Peninsula Music Festival this week. These students represented our school beautifully by using their best manners and caring for their equipment and each other. Each band at the Festival competed to earn either a Bronze, Silver or Gold award. Our Junior band earned a Silver award and our Senior band also earned a Silver award. Both bands trained hard and performed with pizzazz and musicality. Congratulations on your success Junior and Senior band students! Also special thanks to our Parents and Carers who help support these players by encouraging home practice and sending them early to school for our rehearsals.

LIBRARY NEWS

EXCITING NEWS!

An extension to the library is due to begin construction later this term. This means the library will be closed to students from the start of week 3. So, from week 4 onwards, all student loans should be settled and all library books returned. Thank you in anticipation of your support with this.

P&C NEWS

Term 4, 2022.

Where has the time gone?!

The 2022 Colour Explosion Fun Run will be held **FRIDAY**. We have had a great response from parents and carers who have signed up to help on the day.

We're hoping this year's event will be bigger and better than last year with our aim to raise \$50,000 for concrete play area improvements around the school.

For those kids who have collected donations, their profile page will be updated on Saturday to include a prize selection part. This prize selection page will be active from Saturday 15th Oct until Friday 21st October. Get in and select your child's prize. This ensures that kids will receive their prize by end of year. We will keep you posted of any changes to this time frame.

Thanks to all that have put their hand up to help out. There is still time to sign up, get in touch and a mandatory training booklet can be emailed. Please send the P&C an email.

pandc@jinibarapandc.com

Our AGM is in March next year. All Executive positions become available – President, Vice-President, Treasurer & Secretary.

If you've ever thought about singing up, why not come to our meetings and have a chat? Or become a member. It's a no obligation way to stay involved

The next P&C general meeting will be held on Wed, 19th October in

Reports get sent out prior to the meeting to members of the P&C. If you would like to become a member, please email the P&C for a membership form.
