

## Week 5 Tuesday 19.05.2020

Today we are learning to: Check news reports for reliability and explore symmetry.

The materials I will need:

- A computer (if you have one)
- Paper (book) and a pencil
- Calculator for checking your math if you need to.

**When searching for anything online ensure that you follow cyber safety rules and get your parent's permission.**

**9:00 – 9:30**

### **Spelling**

Rainbow Writing: Write out your spelling words using a different colour for each letter. Remember to practise your neatest cursive handwriting.

Prefixes — 'di', 'dia', 'de'

dissect	dialect
dilate	decay
digest	decide
direct	deport
divert	delay
diameter	depend
diagonal	debrief
diagram	develop
diagnosis	depress
dialogue	deploy

**9:30 – 10:00**

## **Quiet Reading**

Choose any text to read for enjoyment. Find somewhere comfortable to read.

Please remember to keep filling in your reading log.

Go to Sunshine Online

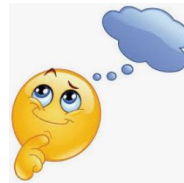

Username - jinibara

Password - jinibara

**HOT TIP - Parents - you can talk to your child about their reading if you have time! Ask about the characters, what is happening in the story, what they are enjoying....**

**Stop and have a fruit break. Talk to your family about the people you respect the most. What is it about these people that you respect?**

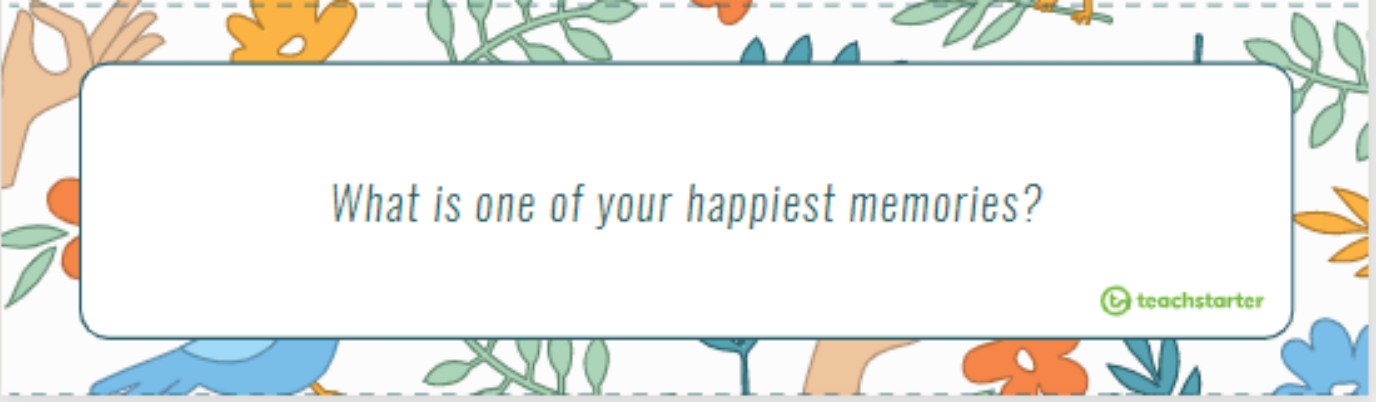

**10:00 – 10:30**

## **Daily Writing**

When completing your daily writing task make sure you are:

- Writing at least a paragraph to answer the question
  - Using capital letters and full stops
- Typing your response to your teacher or writing in your neatest handwriting
  - Check for spelling (you could look up words you don't know)

*What is one of your happiest memories?*

**10:30 – 11:00**

**English**

## Flotsam library 2 – Encyclopedia

Read this evidence and highlight or circle your responses below.

**1. How reliable is this evidence?** At first glance, I think this evidence is:

- a. Reliable
- b. OK
- c. Unreliable

Reason?

- a. Encyclopedias usually contain reliable information.
- b. This isn't very exciting.
- c. This encyclopedia uses simple words.

**2. Check the evidence.**

'Cat family' and 'colouration' are:

- a. Amusing words for us to laugh at.
- b. Hard words to understand.
- c. Technical terms usually found in factual texts.

The drawing of the black panther shows:

- a. How tall it is.
- b. That it has a long tail.
- c. That it comes out at night.

**3. The SAFE test**

Encyclopedia	
Source	Reliable source (official) OR not reliable
Attitude	Positive attitude OR negative attitude OR none (e.g. scientific research)
Facts	Facts OR assertions (not as reliable as facts)
Emotions	Strong feelings/emotions (maybe biased/unreliable) OR neutral/no emotions expressed (objective, unemotional with scientific terms)

### Panther, black

This member of the cat family is actually a leopard or jaguar with dark grey or black colouration.

It has a long tail and an average shoulder height of 75 cm. It lives in valleys in hard-to-reach places. It sleeps during the day, coming out in the evening for food and water.

**OVERALL:** Is this evidence a reliable source of information to help you learn about where, when and how to find the black panther? Answer in sentences below and provide reasons.

**Stop and have something to eat. Have a brain break**

**DO SOMETHING ACTIVE!**

**12:00 – 1:00**

**Maths**

**Warm Up**

## 101 and Out

**Big Idea:** Number and Place Value

**Suits:** Years 3-7

**Materials:**

A regular 6-sided dice

North Coast Region

*Mathematics*

### Instructions:

- Students draw up an empty table for recording, as shown
- Explain that the two columns are for showing TENS and ONES

### Whole class game:

- The teacher rolls the dice, eg. 3
- Students write the digit into one of the cells of the top row of the grid
- The dice is rolled a second time and students add this digit into one of the cells of the second row.
- Continues until six rolls have been made and students have one digit in each row.
- Players now add a zero place holder in each of the empty ONES cells.
- Players add the 2-digit numbers

The player whose total score is nearest to 100 without going over 100 wins the game. (Scores of 101 and more are OUT)

101 and out

3	
	5
	6
2	
1	
	4

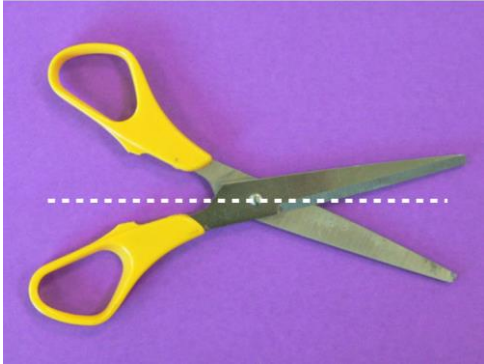

101 and out

3	0
	5
	6
2	0
1	0
	4

total 75

## Maths lesson

# Symmetry around us

Search around your house. See how many things you can find which have a line of symmetry. Write them all down.

Symmetrical shapes can be tested by folding or using a mirror.

The mirror is placed along the middle of the shape to test for symmetry.

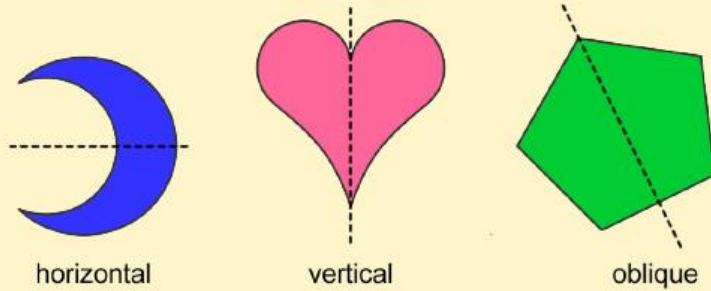

If the shape **reflected** in the mirror is the same as the shape on the paper, then the shape has **reflection symmetry**.

Remember that some shapes can be folded in more than one way.  
These shapes have more than one line of symmetry.

Lines of symmetry can be horizontal, vertical or oblique.

For example:

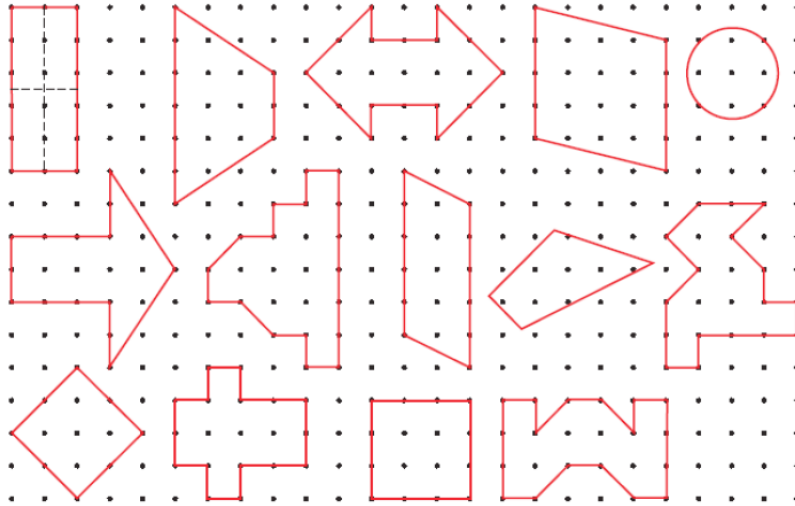

Choose 5 of the objects you found in your house that have symmetry and fill in this table

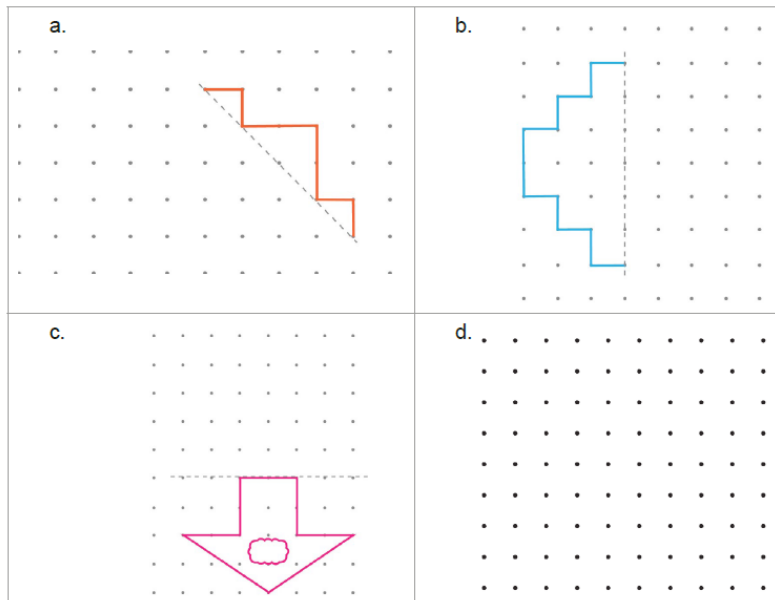

Symmetrical object/shape	How did you check that the object or shape had symmetry?	Number of lines of symmetry	Are the lines of symmetry horizontal, vertical and/or oblique?

Draw the lines of symmetry in the shapes below

Complete the shapes so they are symmetrical

### **OPTIONAL ACTIVITY**

Study ladder - login to your studyladder account and complete some set tasks

**1:00 – 1:30**

# P.E

Complete the activities in the PE grid (you should have this grid from week 1).

**Stop and have a break.**

**Make yourself and your family a snack**

**2:00 – 3:00**

**HEALTH**

### Hot Foods - Available Every Day

Fried Rice (GF)***	☺	\$3.90
Chicken Nuggets (3) & Fried Rice ***	☺	\$4.10
Chicken & Corn Snack Pack #	☺	\$4.30
Mini Corn Cobs (Pack of 2)	☺	\$1.00
Macaroni Cheese ***	☺	\$4.50
Chicken Nuggets (4 per bag)		\$2.70
Hot Dog (includes Sauce)		\$3.20
Sausage Roll		\$3.80
Meat Pie (includes spoon)		\$4.40
Cheese Toastie	☺	\$2.60
Cheese & Tomato Toastie	☺	\$3.30
Ham Toastie	☺	\$3.00
Ham & Cheese Toastie	☺	\$3.60
Chicken & Cheese Toastie	☺	\$4.30
Sauce Sachet- Tomato/ BBQ		\$0.40
Tuckshop Bags		\$0.10
Forks /Spoons (for items brought from home)		\$0.05
# Includes 1/2 buttered roll		
*** Made on site ( + includes fork)		

### Snack Foods

Chocolate Cake (Slice)		\$1.40
Gingerbread Kid		\$2.20
Banana Cake (Slice)		\$1.80
Fresh Fruit (1 piece - seasonal)	☺	\$1.30
Pineapple Slice (in natural juice)	☺	\$0.50
Yoghurt Crunch (vanilla yoghurt & honey bites crumble)	☺	\$1.00
Bag 'O' Bites		\$0.50
Boiled Egg	☺	\$1.00
Cheese and Cracker Snack Pack		\$1.50
Red Rock Chips - Honey Soy / Plain		\$1.50
JJ's - Chicken		\$1.50

### Wicked Wraps

Salad Wrap ∞	☺	\$4.50
Egg & Salad Wrap ∞	☺	\$4.90
Ham & Salad Wrap ∞	☺	\$5.30
Chicken & Salad Wrap ∞	☺	\$6.00
Cold Chicken Mega Wrap ∞ + chicken & cheese & beetroot	☺	\$6.90
∞ = lettuce/ carrot/ cucumber/ mayo		

### Drinks

☺ = A healthier choice

Plain Milk (500ml)		\$2.20
Big M: Lite Chocolate/Strawberry		\$2.20
Plain Water (600ml)	☺	\$1.70
Quench Mineral Water (350ml): Orange/ Lime/ Raspberry/ Pear (blue)		\$2.40
Juice Popper: Apple/ Blackcurrant		\$1.80
Slush Puppie: Strawberry/ Raspberry (blue)		\$2.00

### Ice Blocks

Icy Bites		\$0.50
Frozen Pineapple Ring	☺	\$0.50
Frozen Maxi Yogurt Pop	☺	\$1.00
Mini Calippo		\$1.00
Vanilla Ice Cream Cup		\$1.30
Icy Twist - Lemonade		\$1.50
Paddle Pops - Chocolate/ Rainbow		\$2.00
Ice blocks, slush puppies etc will be stamped "See Tuckshop". The Tuckshop bag will need to be produced at the Tuckshop to collect these items.		

### Sandwiches

	Sandwich	+ salad
Standard Salad		☺
Lettuce, Tomato, Carrot, Cucumber, Mayonnaise	☺	\$4.00
Chicken	☺	\$3.30 \$5.50
Ham (Lite 97% )		\$2.60 \$4.80
Cheese	☺	\$2.20 \$4.40
Cheese & Vegemite	☺	\$2.80
Egg	☺	\$2.40 \$4.50
Plain Buttered Bread		\$1.00
Vegemite or Honey		\$2.00
Extras (cost per item)		
+ Upgrade to Roll		\$0.60
+ Beetroot		\$0.30
+ Lettuce		\$0.60
+ Tomato		\$0.70
+ Cheese		\$0.60
+ Pineapple		\$0.50
+ Toasted		\$0.40
+ Sauces: Tomato, Mayo, BBQ		\$0.40
Mega Salad sandwich	☺	\$4.90
Lettuce, Tomato, Cucumber, Carrot, Mayo, Beetroot, Cheese		
With Ham	☺	\$5.70
With Chicken	☺	\$6.40

More lunchtime options including Burgers, Warm Wraps, Salad Boxes etc can only be ordered on-line through [www.flexischools.com.au](http://www.flexischools.com.au). Cut off 8.45am

# School canteen audit

Instructions: Categorise the foods available from the school canteen and list them in the table.

Prepared foods (for example, pies, salad rolls, noodles, sausage rolls)	Drinks (for example, water, milk drinks, juices)	Snacks (for example, yoghurts, fruit, chips, lollies, ice blocks)

Examine each food and colour code it using the criteria below

*Eat plenty = Green*      *Select carefully = Orange*      *Eat only sometimes = Red*

The best part of the school canteen is

The canteen could be even better if

The canteen could be even healthier if
