Under the agreement for 2015
Jinibara State School will receive $207,437*

*Estimated on 2014 data. Actual funding will be determined after 2015 enrolment data is finalised.

This funding will be used to

- Maintain or improve the percentage of Year 3 students meeting the NMS across all 5 domains
- Develop Individual Performance Plans (were no other planning exists e.g. ILP) for students not meeting the NMS in Year 3 NAPLAN
- Increase by 3-5% the number of students in NAPLAN upper two bands, across each domain, in Year 3, by 2015.
- Increase school-wide student attendance from 92.8% to 95% or better by 2015

Our strategy will be to

- Embed consistent curriculum and pedagogies for the introduction of emergent and early literacy development (oral language, phonological awareness, phonics and decoding) through whole-school explicit teaching of early years students (P-2)
- Support student transitions to Prep by encouraging and providing assistance to C&K and other local kindergarten service providers to meet the emergent and early literacy need of children in their care
- Introduce additional Performing Arts opportunities into the Early Years to target oral language, speaking and listening development and student confidence, thereby building and promoting a school culture of valuing literacy and the performing arts.

Our school will improve student outcomes by
