## Jinibara State School Student Dress Code

## Rationale

Jinibara State School is a uniform school and all students are expected to adhere to the Student Dress Code which is detailed in this brochure as well as in the School Handbook and the School Website. The P&C Association of Jinibara State School has collaboratively developed and endorsed this dress code. Students must wear the correct uniform combinations and **must wear the uniform as it is intended to be worn**. Students attending Jinibara State School are required to wear the current uniform on every school day with the exception of Principal-approved Free-Dress Days, as a condition of their enrolment at the school.

A uniform dress code reinforces in students a pride in their own appearance; instills recognition of themselves as an integral part of the school community; and assists in developing pride in representing their school. Issues of equality, health and safety, and expense are factors that have contributed to the establishment of the Jinibara State School Student Dress Code.

### Aims:

- To readily identify students and non-students at our school.
- To further develop a sense of pride in, and identification with our school.
- To eliminate the distraction of competition in dress and fashion amongst students at the school.
- To foster a sense of belonging
- To develop mutual respect amongst students through minimising visible evidence of economic or social differences
- To maintain and enhance the positive image of the school within the community

### Implementation:

The Jinibara State School Student Dress Code provides choice for students, allows for students to safely engage in all school activities, and caters for the financial limitations of families.

The Dress Code applies during school hours, whilst travelling to and from school, and when students are on school excursions.

## Policy Limitations

Summer and winter uniforms, as well as sports uniforms will be prescribed, and are required to be worn. Long hair should be tied back away from the face. School coloured hair accessories are encouraged (Maroon, and/or Grey). These can be purchased from the Student Supplies shop. Other than clear nail polish, cosmetics may not be worn at school.

### Jewellery

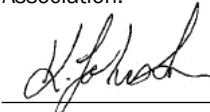

One set of small stud earrings or sleepers may be worn in the ears. All other piercings must be covered for health and safety reasons. Any exemptions (eg Cultural or religious reasons) will require contact with the Principal for approval. Watches, medical alerts and religious symbols tucked under the shirt are acceptable.

Students are required to wear a Sunsmart maroon hat, preferably the JSS school hat. The Student Supplies shop sells a JSS logoed reversible hat which is consistent with our Sunsmart Policy. The reversible colour is aligned with the school sporting house colours. Hats must be worn whenever a student is involved in an outdoor activity.

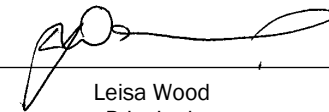

### Free Dress Day Clothing

During free dress days, it is expected that students wear closed in shoes, school hats and sensible, sun-safe clothing that includes no bare stomachs and/or shoulders and no exposed areas of buttocks. ie: no mini shorts/skirts or dresses. Offensive or inappropriate text/symbols will not be permitted.
